FRANK HAROLD LIEBENDORFER MARRIES ANN EVELYN RIGGS

Special to the News:

El Paso, Texas, June 8.—Miss Ann Evelyn Riggs and Frank Harold Liebendorfer were married at 2 o'clock Thursday at the home of the bride's mother, Mrs. Emma Riggs, at 604 N. Virginia Street.

Rev. C. L. Overstreet performed the ceremony and luncheon was served immediately.

The bride's gown was of white muslin and she carried a shower bouquet of bride's roses. Her traveling cap was of pongee with hat to match.

Miss Riggs attended High School in El Paso and later the Bosworth School of Los Angeles, California.

Mr. Liebendorfer is manager of the American Furniture Co. of Tucumcari and came to New Mexico two years ago from his home in Pennsylvania.

After a few weeks at Cloudcroft Mr. and Mrs. Liebendorfer will be at home in Tucumcari.

The News joins friends of these happy young people in extending hearty congratulations to Lieb and in welcoming them home to our city.

SLANE AND ELVA CONVICTED AND SENTENCED FOR FOUR YEARS

Mounted Policeman J. A. Street returned from El Paso this morning where he had spent the week in the prosecution of Dan Slane, Joe Elva and his brother Tom Elva, all of them arrested at Bell Ranch a few weeks ago under charge of stealing horses near Sierra Blanca, Texas.

This has been one of the hardest fought stealing cases tried in El Paso for some time. Slane and Slane were represented by Burney, attorney for the Texas Cattle Association, and Victor Moore, attorney for the Panhandle Cattle Association, and were defended by Gen. Estes, an El Paso attorney. Dan Slane and Joe Elva got four years each in the Texas penitentiary and Tom Elva will go to trial Monday with Estes and J. E. Wharton defending and Victor Moore prosecuting.

The credit for bringing those outlaws to justice belongs to Mounted Policeman Street of this city. Mr. Evans took up the matter with the Chamber of Commerce, and they agreed to secure quarters for the office.

"Since the Chamber of Commerce rented offices on the ground floor on South Second Street opposite the post office the manager was advised that the quarters had been secured, and to day the following letter was received by Mr. Evans:

Denver, Colo., June 7, 1911.

Mr. G. W. Evans, Jr.

Tucumcari, N. M.

Dear Sir:

I beg to acknowledge receipt of your esteemed favor of the 3rd inst., and wish to advise that a representative of our Plant Department will reach Tucumcari at the earliest possible date, which will probably be within a week or ten days, at which time we will arrange for the extension of our wires to the proposed new independent office to be established in the International Bank Building.

I wish to assure you of our appreciation of your efforts in this matter. With kindest personal regards, I am,

Yours very truly,

E. E. McCLINTOCK,

Dist. Comd. Supt.

"Space will be given the Western Union in the offices of the Chamber of Commerce, and it will be but a very short while until their commercial offices will be located in the center of the city."

MRS. COULSON HOSTESS TO THE WHIST CLUB

The Thursday Whist Club was entertained this week at the pleasant home of Mrs. Richard Coulson with the usual quota of members in attendance. Whist was played at three tables with the result that the club prizes fell to the lot of Mesdames Bert Yost and Chas. de Vampert who scored respectively first and second. A tempting ice course was served at the tables during the social hour and all pronounced the afternoon a most enjoyable one. The guests of the club for the afternoon were Mrs. Earl George and Mrs. C. H. Chennault.

YOUNG PEOPLE ENJOY SOCIAL

The girls and boys of the younger set enjoyed one of their frequent social evenings on Wednesday night with the girls' Club as hostesses in the home of W. N. Croftord. The hours passed pleasantly in the usual manner. Those present were Misses Ruth Davis, Reece Littleton, Monette Sandusky, Zilla Whitmore, Sallie Croftord, Ruth Stark, Dillon Brown, Estelle Erskine and Messrs. Parker, Phillips, Conrad, Croftord, Moore, Williams, Wheeler, Erskine, Neufus.

T. AND M. WILL RUN THROUGH TO EL PASO

After July 1, the Tucumcari-Memphis will run through from Memphis to El Paso. Means more travel over the Memphis and through Tucumcari. Bueno.

STATEHOOD IS NOT TO BE PUSHED

President Declines to Use His Influence in Senate to Get Measure Through

COTTON SCHEDULE TO BE REVISED

Washington, D. C., June 5.—Chairman Flood of the house committee on territories, and former governor George Curry, of New Mexico, were told by the president today that for the present he would not use his influence to push statehood for Arizona and New Mexico through the senate.

The president indicated that he would sign the enabling act providing for the admission of these territories now, but that he intended to spend his time at the beautiful Prentiss home on Third Street, where there is a half block of lawn that is receiving his undivided attention. We believe the News is safe in saying that Prentiss is one of the citizens of Tucumcari who never quits no matter what the work is when there is a chance to make home look better and his family derive more comfort from it. Such spirit is what makes Tucumcari a desirable place to live.

To Revise Cotton Tariff

Revision of the cotton tariff will be undertaken at this session of congress according to representative Rainey of Illinois, chairman of the sub-committee on the ways and means committee investigating the cotton schedule. Experts already are at work and a bill will be drafted in the near future.

Resumes Reciprocity Hearing

The senate finance committee today resumed hearings on the "Gardiner Reciprocity Bill," Herman Rider, until recently president of the American Newspaper Publishers' association, being called to the witness chair. Mr. Rider was not proceeded with when Senator McCumber of North Dakota started the committee by challenging one of Mr. Rider's statements as an "absolute falsehood."

Senator McCumber's action brought a quick protest from Senators Stone and Bailey, who declared that the witnesses should not be insulted.

Mr. Rider had made the statement that the newspapers of the country and the publishers' association had not attempted to suppress facts or to color sent from Washington on the subject of reciprocity. Senator McCumber interrupted with his charge of falsehood.

Several senators insisted that Mr. McCumber's speech should be stricken from the record.

Statement is Changed.

"If any witnesses appearing before this committee," said Senator Bailey, "were to imply that some senator had told a falsehood I would insist that it be stricken from the record."

Senator McCumber agreed to have his remark changed so as to make it read that what Mr. Rider said was "unfounded."

Mr. Rider, in reply to questions from members of the committee, declared that, as president of the publishers' association, had sent out word to the members of the association telling them that the reciprocity agreement was of vital importance.

"But I could not have favored the agreement," added Mr. Rider, "if I had not thought it would be of good to the whole country independent of my interest in it as a newspaper publisher."

Will Submit Information

President Taft today promised representative Hardwick, of Georgia, chairman of the special house committee investigating the sugar trust, that all information regarding the trust now in possession of the executive department of the government would be put at the disposal of the committee. Mr. Hardwick said the investigation would begin next week. The committee, he said, intended to probe deeply into the cash settlement made by the government with the sugar trust.

Lorimer Committee Named

At today's meeting of the senate committee on privileges and elections, Senator Dillingham, Senators Gamble, Jones and Kenyon (Republicans), and Fletcher, Johnson, Kern and Lea (Democrats), were designated a special committee to conduct the proposed reinvestigation into the Lorimer affair. Senators Dillingham, Gamble, Fletcher and Johnson voted for Lorimer in the last session, and Jones, Kenyon, Kern and Lea are classed as anti-Lorimer.

THE MORRIS-SCHRECK PICTURES COMING

The Morris-Schreck Moving Pictures will be at the Evans next Monday night. Carl Morris is a railroad boy and the hope of the white race to clean the Negro Johnson, at the Evans, Monday night the 12th inst.

EMBROIDERY CIRCLE

Mrs. R. J. Thompson was hostess last week to the ladies of the Embroidery Club and such being the case a pleasant afternoon was assured those who were so fortunate as to be present. About twenty ladies spent the afternoon in the usual delights of needlework and conversation, concluding with a delightful ice course served by the hostess in her usual inimitable way.

GATE AT CROSSING

The El Paso & Southwestern is arranging gates at the West crossing in this city. This is a very desirable necessity and should have been done a long time ago.

WE SELL BETTER BREAD

The M. W. A. of this city have been adding to membership lately until they are talking of contesting the Elks in the magnificence of lodge building. The building they contemplate is to be two stories and a front of 50 feet. The location is to be Second and Aher.

Mr. Parker of the Colorado Telephone Co. and his assistant went over the line from Tucumcari to Santa Rosa this week.

Joe Hodges, who has spent the past three years at Silver City Normal, is home for the summer's vacation. He goes back again next year. This appointment has been worth much to Joe and he is making the most of it.

U. S. Smith & Co. Cash Store

Mr. Parker of the Colorado Telephone Co. and his assistant went over the line from Tucumcari to Santa Rosa this week.

John P. Clark of Denver, Colo., spent last night in the city, leaving this morning for Logan to look over the ground for prospects of oil.

MOSQUERO TRAGEDY

HANLEY HAPPENINGS

Farr Harris has started for the Kansas wheat fields. He is accompanied by Henry Neely. They will drive through and take their families.

G. W. Nelson has purchased Henry Neely's interest in the well drilling outfit and is busy putting down several wells for his neighbors.

Frank Smith has just gotten a fine well of water at about seventy-five feet and is putting in a windmill.

Bob Prentiss left Monday with his daughter LuLu, for Groom, Texas. Henry Stone is making some improvements on his place.

W. S. Elmer has returned from a visit to Oklahoma City.

The fifth Sunday meeting of the Liberty Valley church was well attended. The pastor, Rev. Sherard and his wife left Monday for a vacation in Western Kansas.

Tom Brown was in Montoya Tuesday in the interest of the Colorado Telephone Co.

A good many people are visiting the Hanley days now.

Governor Mills and his party had considerable trouble in getting out to inspect the damsite owing to the state and condition of some of the roads.

We understand that Governor has taken up the good roads question and that parties are at work laying out a road from Tucumcari to the dam site via Hanley.

P. C. Reems has just put in a double line of fence opening up a section line through his place.

Next Brown is opening up a section line that runs through his place, for the benefit of the public.

Rev. W. H. Baker will make his final five year proof in the few days. It is reported he will go to Arkansas and settle down.

There are several vacant claims adjoined the Hanley damsite—a good chance for somebody.

J. A. Charlton expects to have a well drilled in the near future.

Floyd Nelson will start for the Kansas wheat fields in a short time.

Mrs. Clara C. Mettill is gradually improving after her severe illness some weeks ago.

H. J. Anderson is fencing up his land. He expects to have forty acres broken out as soon as it rains.

SAVED HIS WIFE'S LIFE

"My wife would have been in her grave today," writes O. H. Brown, of Tuscaloosa, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery, and she soon began to mend, and was well in a short time."

Infallable for coughs and colds, its most reliable remedy on earth for desperate lung trouble, hemorrhages, hiccups pulled in but the woman got off on the east end of the platform when the man supposed to be waiting for her was on the west end and she escaped him. The deputy and local officers were immediately on the trail of the bad man but he was swallowed up by the darkness and has not been seen since.

The Solano man, Roy M. McGloster, told the reporter Wednesday morning that he believed the man still in this city and he conveyed the information to local officers, but nothing has developed. The wounded man Ben Straut is still alive but in a critical condition.

CAROTHERS WILL BUILD

P. Carothers has let a contract to M. F. Lawing for the erection of a five room adobe Bungalow on Second St., Gamble Addition. Work will begin on Thursday 14th.

FOR SALE—New residence, five rooms, fenced, trees, lawn, good out buildings, two large porches. A bargain if sold for cash. Inquire at News of.

Harry Simmons, brother of Frank, the engineer of this city, is here from Marion, Texas, for a few days visiting his brother and father.

M. B. Rice of Logan who is leasing many oil claims in the Logan vicinity this week was at the Glenrock a day or two.

We can save you money on eye glasses and spectacles. BLITZ BROS.

J. M. Griggs was in a day or two from the oil fields at Puerto.

Rev. H. P. Haley, of Olar was a Tucumcari visitor Friday.

LIGHTNING KILLS FEW

In 1906 lightning killed only 160 people in this whole country. One's chances are less than two in a million. The chance of death from liver, kidney or stomach trouble is vastly greater, if not Electric Batters be used, as Robert Madsen, of West Burlington, Iowa, proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Batters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only \$6 at Els Drug Store.

FOR SALE

Moving picture machine autograph No. 3½ with 200 feet of film. \$70 takes all.
